

# MELT MORE WITH **LESS TIME**

compared to magnesium chloride

**Peladow**  
CALCIUM CHLORIDE PELLETS  
PREMIER SNOW AND ICE MELTER

## MELT **3X** FASTER.

When snow is falling and ice is forming, time is of the essence. You can opt to **MELT RESPONSIBLY®** by using a product you can trust. PELADOW® melts snow and ice **3X faster than magnesium chloride**. Reduce the need for re-application and increase your efficiency. Put time on your side with PELADOW.

Whether you're a contractor going from job site to job site or a building manager eliminating slip-and-fall hazards on your property, PELADOW works faster around the clock, allowing you to do more with less. Since PELADOW requires significantly lower application rates, you can get more done in less time.

When you apply PELADOW at the appropriate rate, you are choosing to **MELT RESPONSIBLY®**.

Provide safe  
walkways earlier  
in the day

Open your  
business on time

Service more job  
sites each day

### **ADDITIONAL BENEFITS:**

#### **LESS COST**

Use **40% less** product.\*

#### **LESS WASTE**

Introduce **less** chlorides  
into the environment.\*
